

**we have our 'Genesis' NFT Takeru collection already tradeable in the open market with a supply of 1,000**

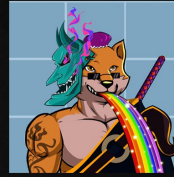

**Our upcoming collection will be Katana 'Champion' NFT collection, with a total supply of 10,000.**

In future we will have more Champion NFT collections per season as it will be burned for forging.

### Short Explanation:

#### For Champion NFT Collection:

1. Forging unique in-game items
2. Access to closed beta and test net build with early airdrops for players.
3. Whitelist spots for upcoming collections
4. Secret benefits to holders of 30 or more Champion NFTs

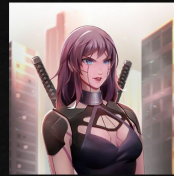

**Genesis**

#### Additional Genesis NFT Utilities:

(All features of Champion collection already included)

5. Claimable new 2D and 3D collections for free!
6. Battle Pass Discount
7. Tournament Entry Tickets Raffles
8. Staking for Genesis NFTs earning passive income and future NFT drops.
9. Secret benefits to holders of 10 or more Genesis NFTs

**Champion**

### Long Explanation:

#### 1. Forging unique in-game items

*How does the Forging system work for the secondary NFT collection?*

To use the power of the forge, the main ingredient you will need is 'Kata Champion' NFT as that will be the base to craft additional mythical, legendary or immortal rarity type items. These NFTs will be limited per season making them very rare. After forging your champion NFT will be burned.

#### 2. Access to closed beta and test net build with early airdrops for

This will allow you to start playing and experiencing the game before everyone else.  
Not only that, but the players will

#### 3. Whitelist spots for upcoming collections

Holders will also be rewarded with upcoming whitelist spots for any future collections. also be able to enjoy the 'Play and Earn' aspect of the game, rewarding their time spent playing with exclusive early testnet airdrops.

#### 4. Secret benefits to holders of 30 or more Champion NFTs

Additional Utilities available only for Genesis Holders, but this is not disclosed yet and will be updated soon.

**All other utilities from Champion NFT are automatically included into our Genesis NFTs, (Instead of Forging! - Forging will not work on Genesis Collection)**

#### Additional utilities for Genesis NFTs

#### 5. Claimable new 2D and 3D collections for free!

For each Genesis NFT that you hold, you will be able to get a free claim for most of the new 2D and 3D collections! That means free NFTs just for being a Genesis Holder!  
For each Genesis NFT that you hold you will be able to claim 1 in-game Character.

#### 6. Battle Pass Discount

As a genesis holder you will have a lifetime 50% discount on our battle pass.

#### 7. Tournament Entry Tickets Raffles

For every tournament, Genesis holders will be able to participate in a raffle where they will be able to win Tournament Entry Tickets!

#### 8. Staking for Genesis NFTs earning passive income and future NFT

You can stake your genesis NFT and earn \$Kata rewards or NFT Airdrops. This utility will be announced soon.

#### 9. Secret benefits to holders of 10 or more Genesis NFTs
